

Remarks/Arguments

Reconsideration of the above-identified application in view of the present amendment is respectfully requested.

In this attached listing of claims, claim 6 has been rewritten in independent form. Claim 7 has been amended to depend from claim 6. Claims 9 and 10 have been rewritten in independent form. Claims 1-5 and 8 have been canceled. The remainder of the claims stand unamended.

The Examiner has objected to the specification on the grounds that the pivot bar is incorrectly identified with the numeral 100 at page 8, rather than the numeral 102. Paragraph 35 has been amended to correctly refer to the pivot bar with the numeral 102.

The Examiner has rejected claims 1 and 2 under 35 U.S.C. §102(b) as being anticipated by the U.S. Patent No. 4,105,412 to Petzinger. Claims 1 and 2 have been canceled and accordingly, the Examiner's rejection of these claims is now moot.

The Examiner has rejected claims 1 and 3 under 35 U.S.C. §102(b) as being anticipated by U.S. Design Patent No. D332,678 to Barclay et al. Claims 1 and 3 have been canceled and accordingly, the Examiner's rejection of these claims is now moot.

The Examiner has rejected claim 8 under 35 U.S.C. §102(b) as being anticipated by U.S. Design Patent No. D351,697 to Blotnick. Claim 8 has been canceled and accordingly, the Examiner's rejection of this claim is now moot.

Claims 4, 5 and 7 have been rejected under 35 U.S.C. §103(a) as the Examiner asserts that these claims are obvious having regard to various combinations of the cited references. Claims 4 and 5 have been canceled and accordingly, the Examiner's rejection of these claims is now moot. Claim 7 has been amended to depend from claim 6 which the Examiner has indicated would be allowable if rewritten in independent form. Since claim 6 has been rewritten in independent form and is believed to be allowable, it is believed that claim 7 is now in condition for allowance.

In view of the foregoing, it is respectfully submitted that the above-identified application is in condition for allowance, and allowance of the above-identified application is respectfully requested.

Please charge any deficiency or credit any overpayment in the fees for this amendment to our Deposit Account No. 20-0090.

Respectfully submitted,

Richard S. Wesorick
